- Triple Track
- Corner-less Evorä
- 22mm Low Threshold
- Up to 400 kgs per sash

EVORÄ LIFT AND SLIDE PATIO DOOR

Discover the Dutemänn Evorä, the sliding door that won't compromise on energy efficiency or design.

The **Dutemänn Evorä** is representative of cutting-edge beauty and design. Our robust frame is supported by a slim profile, which is accented by artfully fashioned handles, providing unobstructed views.

Every **Dutemänn Evorä** exceeds the highest expectations, marrying quality design with **energy efficiency**. Our offer of fully weathered thresholds and a choice of glazing options allows us to provide the highest level of **thermal efficiency**.

DUTEMÄNN
53MM
MULLION
SLIMLINE PROFILE

SLIM SIGHTLINES WITH 53MM MULLION FOR UNINTERRUPTED VIEWS

Ultra slim profiles featuring a **53mm mullion** and a fully weathered 22mm up stand threshold.

Our unique Evorä sliding mechanism lifts the sash to deliver smooth effortless operation and performance of up to 400 kilos per panel. The reinforced frame allows for extended openings, maintaining superb unhindered views of wonderful vistas.

Capitalize on brightening and inspiring spaces with maximum glass areas spanning 6.0m wide by 3.0m in height in just two panels.

TRIPLE TRACK 73MM MULLION

The **Dutemänn Evorä triple track** offers endless possibilities, as all panels are able to glide, allowing you to make full use of your internal/external spaces.

For large or small apertures, the Evorä triple track offers a superb alternative to Dutemänn's bi-folding doors.

Our unique Evorä sliding mechanism lifts the sash to deliver smooth, effortless operation and performance of up to 400 kilos per panel.

The reinforced frame allows for extended openings, maintaining superb unhindered views of wonderful vistas. Making the most of the natural light and creating inspiring living spaces.

INSIST ON THE BEST PERFORMANCE

The **Dutemänn Evorä** redefines the expectations of patio doors by implementing industry-leading concepts as standard. Providing a 10-year guarantee, Dutemänn delivers to exacting ideals and limitless possibilities.

The harmonisation of slim slight-lines and our superb lift mechanism means the **Dutemänn Evorä** provides architectural flexibility and design for any patio door installation.

Appealing for contemporary new build, high rise, or roof-top installations, and yet still suitable for traditional projects, the **Dutemänn Evorä** can meet the needs of any design brief.

KEY FEATURES

- Thermally Efficient
- Double Track
- Triple Track
- Corner-less Evorä
- 22mm Low Threshold
- Up to 400 kgs per sash

CORNER
GLIDE

REINVENTING THE INLINE SLIDING DOOR

EFFORTLESS OPENING

Our unique gearing system lifts sashes on the operation of the door handle to deliver effortless opening and closing of panels of up to 400 kilos per panel.

HUGE FLEXIBILITY

Exceptional structural integrity gives the system huge flexibility. Capable of spanning an aperture of 6.0m wide by 3.0m in height in just two panels, the system is ideal for spanning large spaces.

SECURITY

Multi-point locking and high security cylinders offered as standard. Meeting the most stringent standards the Evorä has achieved the UK security standard Pas 24. This has been achieved by utilising high quality multi-point locking along with security key cylinders

INSIST ON THE BEST THERMAL PERFORMANCE

The **Dutemänn Evorä** utilises cutting-edge innovation in fenestration technology. Our unique gearing allows the product the flexibility to span very large apertures without the need for multiple mullions, offering stunning, unhindered views.

The Evorä is a modern contemporary alternative to the bi-folding door.

THERMAL EFFICIENCY

Featuring a thermal breaking zone and cross-linked polyamide insulation, the Dutemänn Evorä is capable of achieving U-value ratings as efficient as 1.3w/m².k when fitted with triple-glazing.

WEATHERPROOF

Our industry-leading threshold drainage system and high-quality weather seals provide exceptional weatherproofing to meet the demands of your installation.

10 YEAR GUARANTEE

With a 10-year guarantee and manufactured to Dutemänn's exacting standards, the **Dutemänn Evorä** raises the inline sliding patio door to new horizons

PREMIUM COLOUR FINISHES

Evorä doors can be finished in a choice of over 200 RAL colours.

Our colour range is available in subtle, natural matt finishes and a gloss white option.

Evorä has "Sea Side" finish as standard, however for especially exposed locations please ask your installer for advice.

TRACK OPTIONS

A Dutemänn Evorä has it covered; offering mono, double, triple and pocket track options, allowing for various combinations of both fixed and opening sashes.
